

PRECIOUS GEMS WOODLAND COLLECTION

Refined elegance meets rustic charm. The collaboration of glossy and frosted glass with natural slate and quartzite are joined together to form an exclusive, one-of-a-kind design. The Woodland collection, an extension of our Precious Gems line, has smooth and sophisticated qualities interlinked with handsome and rugged appeal. From the shower to a backsplash, Woodland is sure to be the focal point on any wall. Six different earth-tone blends are available as well as two sizes, .625x.625 and a random brick mosaic. Multiple sizes available including the timeless subway.
